

Animal Chiropractic Statute

S.F. No. 3683, 4th Engrossment - 85th Legislative Session (2007-2008) Posted on May 08, 2008

Sec. 24. Minnesota Statutes 2006, section 148.01, subdivision 1, is amended to read:

Subdivision 1. **Definitions.** For the purposes of sections 148.01 to 148.10:

(1) "chiropractic" is defined as the science of adjusting any abnormal articulations of the human body, especially those of the spinal column, for the purpose of giving freedom of action to impinged nerves that may cause pain or deranged function; and

(2) "animal chiropractic diagnosis and treatment" means treatment that includes identifying and resolving vertebral subluxation complexes, spinal manipulation, and manipulation of the extremity articulations of nonhuman vertebrates. Animal chiropractic diagnosis and treatment does not include:

(i) performing surgery;

(ii) dispensing or administering of medications; or

(iii) performing traditional veterinary care and diagnosis.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 25. Minnesota Statutes 2006, section 148.01, is amended by adding a subdivision to read:

Subd. 1a. **Animal chiropractic practice.** A licensed chiropractor may engage in the practice of animal chiropractic diagnosis and treatment if registered to do so by the board, and the animal has been referred to the chiropractor by a veterinarian.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 26. Minnesota Statutes 2006, section 148.01, is amended by adding a subdivision to read:

Subd. 1b. **Scope of practice; animal chiropractic.** Criteria for registration to engage in the practice of animal chiropractic diagnosis and treatment must be set by the board, and must include, but are not limited to: active chiropractic license; education and training in the field of animal chiropractic from an American Veterinary Chiropractic Association, International Veterinary Chiropractic Association, or higher institution-approved course consisting of no less than 210 hours, meeting continuing education requirements; and other conditions and rules set by the board. The board shall consult with the State Board of Veterinary Medicine in preparing proposed rules on animal chiropractic.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 27. Minnesota Statutes 2006, section 148.01, is amended by adding a subdivision to read:

Subd. 1c. **Titles.** Notwithstanding the limitations established in section 156.12, subdivision 4, a doctor of chiropractic properly registered to provide chiropractic care to animals in accordance with this chapter and rules of the board may use the title "animal chiropractor."

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 28. Minnesota Statutes 2006, section 148.01, is amended by adding a subdivision to read:

Subd. 1d. **Provisional interim statute.** Upon approval by the board, a licensed chiropractor who has already taken and passed the education and training requirement set forth in subdivision 1b may engage in the practice of animal chiropractic during the time that the rules are being promulgated by the board. Enforcement actions may not be taken against persons who have completed the approved program of study by the American Veterinary Chiropractic Association or the International Veterinary Chiropractic Association until the rules have been adopted by the board.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 29. [148.032] EDUCATIONAL CRITERIA FOR LICENSURE IN ANIMAL CHIROPRACTIC DIAGNOSIS AND TREATMENT; RECORDS; TREATMENT NOTES.

(a) The following educational criteria must be applied to any licensed chiropractor who requests registration in animal chiropractic diagnosis and treatment. The criteria must include education and training in the following subjects:

- (1) anatomy;
- (2) anatomy laboratory;
- (3) biomechanics and gait;
- (4) chiropractic educational basics;
- (5) animal chiropractic diversified adjusting technique, including:
 - (i) lecture cervical;
 - (ii) thoracic;
 - (iii) lumbosacral;
 - (iv) pelvic; and
 - (v) extremity;
- (6) animal chiropractic diversified adjusting technique, including:
 - (i) laboratory cervical;
 - (ii) thoracic;
 - (iii) lumbosacral;
 - (iv) pelvic; and
 - (v) extremity;
- (7) case management and case studies;
- (8) chiropractic philosophy;
- (9) ethics and legalities;
- (10) neurology, neuroanatomy, and neurological conditions;
- (11) pathology;
- (12) radiology;
- (13) research in current chiropractic and veterinary topics;
- (14) rehabilitation, current topics, evaluation, and assessment;
- (15) normal foot anatomy and normal foot care;
- (16) saddle fit and evaluation, lecture, and laboratory;
- (17) veterinary educational basics;
- (18) vertebral subluxation complex; and
- (19) zoonotic diseases.

(b) A licensed chiropractor requesting registration in animal chiropractic diagnosis and treatment must have completed and passed a course of study from an American Veterinary Chiropractic Association, International Veterinary Chiropractic Association, or higher institution-approved program, consisting of no less than 210 hours of education and training as set forth in paragraph (a).

(c) A licensed chiropractor engaged in the practice of animal chiropractic diagnosis and treatment must maintain complete and accurate records and patient files in the chiropractor's office for at least three years.

(d) A licensed chiropractor engaged in the practice of animal chiropractic diagnosis and treatment must make treatment notes and records available to the patient's owner upon request and must communicate their findings and treatment plan with the referring veterinarian if requested by the patient's owner.

(e) A licensed chiropractor who treats both animal and human patients in the same facility must post a conspicuous sign in the reception area of that facility informing customers that nonhuman patients are treated on the premises.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 30. [148.033] ANIMAL CHIROPRACTIC CONTINUING EDUCATION HOURS.

Any chiropractor engaged in the practice of animal chiropractic diagnosis and treatment applying for renewal of a registration related to animal chiropractic diagnosis and treatment must have completed a minimum of six hours annually of continuing education in animal chiropractic diagnosis and treatment, in addition to the required 20 hours annually of continuing education in human chiropractic under this chapter. The continuing education course attended for purposes of complying with this section must be approved by the board prior to attendance by the chiropractor.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 31. [148.035] SEPARATE TREATMENT ROOM REQUIRED.

A licensed chiropractor who provides animal chiropractic treatment in the same facility where human patients are treated, shall maintain a separate noncarpeted room for the purpose of adjusting animals. The table and equipment used for animals shall not be used for human patients.

EFFECTIVE DATE. This section is effective the day following final enactment.
